## UMBRELLAS.

The "Windsor," most popular Umbrella known. More  
than 100,000 sold in twelve months.

the sticks and the mark as above.

Our Patented Springs are incomparably superior both  
in appearance and durability to all others, and add nothing  
to the expense of an Umbrella or Parasol. Espe-  
cially notice that the catch or thumb-piece is enclosed  
in a metal case.

Sample of Springs sent free on application, affording  
a positive guide for Umbrellas of the best make.

SODEN MINERAL PASTILLES, which were  
awarded the highest distinction by a medical jury at the  
International Exhibition at Brussels, have proved to be a  
first-class remedial agent in all Catarrhs of the organs of  
respiration and digestion.

SODEN MINERAL PASTILLES are prescribed by  
physicians in diseases of the throat, chest and asthma.  
The benefit derived from their use is unsurpassed, and  
even in the most chronic cases they soothe, cure and  
stimulate.

SODEN MINERAL PASTILLES are preferable to  
all similar preparations because they are a natural remedy,  
an unobscured product of the springs, containing in an  
undisturbed degree all the salutary principles of those  
springs.

SODEN MINERAL PASTILLES are prepared ex-  
clusively under the personal supervision and control of W.  
STOETZLING, M. D., R. R. Sanitary Councilor.

SODEN MINERAL PASTILLES are unequalled as  
a solvent in coughs and catarrhs, even in the most  
chronic cases. Their success is unsurpassed.

SODEN MINERAL PASTILLES are a superior  
remedy in whooping cough and diphtheria; in the former  
they lessen the paroxysm of the attack, while preventing  
the latter disease, which cannot take hold in a throat not  
affected by catarrh.

SODEN MINERAL PASTILLES derive increased  
value from the fact of having a very favorable influence  
upon the organs of digestion.

SODEN MINERAL PASTILLES ought to be kept  
in every home. All mothers are recommended to give  
their children during the cold season to allow a pastille  
slowly to melt in their mouths while out on errands or  
going to school.

SODEN MINERAL PASTILLES are for sale at  
nearly all drugstores at 50c. a box. Should your druggist  
not keep them kindly address the  
SOLE AGENCY FOR THE U. S.  
Soden Mineral Springs Co., (Limited),

IN FAVOR OF THE REPUBLICANS.

A DECISION BY THE COURT OF KANAWHA COUNTY  
THAT MCGINNIS IS CONGRESSMAN-ELECT.  
Charleston, W. Va., Dec. 8.—The County Court in  
the matter of the recent in this (Kanawha) County  
after hearing argument on behalf of Democrats and  
Republicans, decided at noon to-day to take the  
original count in Charleston City, Alum Creek, and St.  
Albans Precincts, and to reject the recent in these  
precincts, to throw out Lewiston and Coalingburg Pre-  
cincts wholly, and accept the recent in the other  
precincts in the county. By this McGinnis (Rep.)  
has a majority in the 11th Congressional District of  
Kentucky. The matter will be taken to the Cir-  
cuit Court by the Democrats.

## THE PHILADELPHIA COAL MARKET.

Philadelphia, Dec. 8 (special).—A prominent coal  
shipper here, speaking of the trade, says: "Since the  
recent meeting of representatives of the coal trade has  
been greatly benefited. Prices are well maintained,  
which continues light for all times except above and  
cheaper. So far, however, only a comparatively  
small quantity of coal has accumulated at tide-water,  
and the stores piled up are chiefly sea and broken."  
The shipments of anthracite coal over the Reading  
Railroad for the fiscal year ending November 30, ac-  
cording to figures furnished by the company, were  
7,350,320 tons, against 7,495,301 tons in the  
fiscal year of 1887, a decrease of 145,000 tons. When  
the strike trouble were at an end the company was  
nearly 800,000 tons behind the previous year in its  
coal business. It was supposed that the company  
would lose at least 400,000 tons, and it was only by  
intelligent work and perseverance on the part of the  
railroad and coal and iron officials that the lost  
tonnage was so nearly recovered.

## STIVERS'S SEAT IN CONGRESS SECURE.

Albany, Dec. 8 (special).—There is no foundation  
for the report from Washington that Governor Hill has  
granted a certificate of election to Henry Bacon, the  
Democratic candidate for Congressman in the XVIIth  
Congressional District. The Governor has not granted  
a certificate of election to any candidate in a Con-  
gressional District. That is a duty which the election  
laws of this State confer upon the Secretary of State,  
who issues all the certificates of election to the Con-  
gressmen. Furthermore, the Secretary of State,  
Frederick Cook, in company with Controller Wemple,  
Attorney-General Tabor and State Treasurer Fitz-  
gerald, met last Tuesday and formally declared that  
Moses D. Stivers, the Republican candidate, had been  
elected in the XVIIth Congressional District, and in a  
few days Secretary of State Cook will forward the  
certificate of election to Mr. Stivers, who has seventy-  
four majority in the district.

## SECRETARY WOODWARD BETTER.

Newburg, N. Y., Dec. 8.—J. S. Woodward, secretary  
of the New-York State Agricultural Society, who  
was stricken with paralysis, is reported to be much  
better. It is said that he has partially recovered  
the use of his right leg, and his friends say that he  
will surely come around all right in time.
